

OUR WINE LIST

Tulum wines have been selected to enhance the profound flavours of Turkish cuisine. Our wines embrace Turkey's rich history of wine-making, thought to have been one of the earliest wine-producing regions of the world, dating back some 7000 years.

Turkey played a pivotal role in the early history of wine and is a leading producer of grapes with each region cultivating different varietals varying from crisp white wines to fine reds.

In addition, we have a range of Australian wines and wines from the old and new worlds, thoughtfully chosen to compliment the flavours of modern Turkish cuisine.

We believe wine is to be savoured and enjoyed and we encourage you to experiment, and in doing so, enhance your dining experience.

Featured Wines

Our first wine is 2013 Kavaklıdere Selection Okuzgozu-Bogazkere (76.) from Elazığ & Diyarbakir, Turkey: a blend of two indigenous varietals - Bogazkere, noted for its strong tannins and structure and Okuzgozu for its fruity brightness.

Both varieties are from the high-altitude plains surrounding Ankara in central Turkey. Together they make a full-bodied, intense red wine that pairs well with red meat dishes. Our second wine is a 2007 Domaine Baumard 'Clos de Saint Yves' Savennières (375 ml.) from the Loire Valley, France (40.).

This Chenin Blanc comes from Savennières - it is home to the dry white wine regarded as one of the finest in the entire Loire region. With a decadent bouquet reminiscent of apple blossom and quince, this white wine is ideal for vegetarian or white meat dishes. It also makes a wonderful aperitif.
