

With a small team and a big dream, we would like to send our message to the world that Turkish cuisine is much more than just the one or two dishes that everyone is familiar with.

For Valentine's Day this year, we will be offering a 6 course Tasting menu from the Mediterranean Region of Turkey.

You will receive a complimentary glass of Barringwood Cuvee sparkling wine or our special Valentine's Day Cocktail, the Swinging Sultan.

Afiyet Olsun!
